### FOR IMMEDIATE RELEASE

## SouthStar Urgent Care Expands Footprint in Acadiana

*Opens New Clinic in Scott*

**Scott, LA (February 27, 2020)** - Hulin Health is pleased to announce the opening of their eighth clinic in the Acadiana region. This location expands SouthStar Urgent Care's footprint to western Acadiana with plans for future growth in the Lafayette area later this spring.

SouthStar Urgent Care is located at 203 Westgate Road (Next to CVS Pharmacy) in Scott. The clinic is now open for business every day and provides convenient access to routine treatment for general illness and injuries, X-rays and diagnostic testing, immunizations, physicals and Occupational Medicine services.

"Our vision is to change the way health care is delivered, one community at a time, and our continued growth in Acadiana supports this mission," said Frank Garber, NP and Medical Operations Officer for SouthStar Urgent Care. "Whether it's an illness or an injury, you can count on our team to take all the necessary steps to provide you with a quick diagnosis and an appropriate treatment plan."

No appointment is necessary. All ages are welcome. Business hours will be:

Monday – Friday 8 a.m. – 8 p.m.

Saturday & Sunday 9 a.m. – 5 p.m.

For more information, visit [GoSouthStar.com](http://GoSouthStar.com) or call 337-223-8401.

### **About Hulin Health**

*Hulin Health is the parent company to SouthStar Urgent Care. Founded in 2011, Hulin Health is a leading provider of Urgent Care services in Louisiana. Their signature brand, SouthStar Urgent Care, is known primarily for its nationally recognized, award-winning customer service. With a focus on patient care and team culture, the SouthStar Urgent Care team is changing the way healthcare is delivered. Available clinic services range from treating allergies to onsite X-Rays, flu symptoms to stitches, or simply a general sports physical for school. Occupational Medicine services are also offered at all SouthStar clinics. Clinics are open seven days a week and welcome all ages for treatment.*
