**AAA North Penn** donated DNA/Fingerprint kits to the Elm Park Church to be distributed at their first-ever College and Career BOOT (Building Our Outstanding Teens) Camp.

College-bound high school students were invited to attend the camp from 9 a.m. to 3 p.m. June 22-26 at Elm Park United Methodist Church, 712 Linden St., Scranton.

Co-hosted by the church's Family Life Ministries and NEPA Career and College Counseling Associates, the program is designed to help students prepare for life after high school, equip them to make sound decisions about their program of study and assist with identifying potential fields of employment. Teens learned how to choose a major based on a career interest and explore options available to them after college. Participants walked away with a list of local, regional and national scholarships.

The program featured a series of supportive workshops on topics such as standardized test preparation strategies, choosing majors and careers, finding the right college and application preparation, applying for financial aid and scholarships, resume and essay writing, leadership development and skill building, Internet safety and protocol and dorm life, roommates and packing for college.

We are very pleased to announce Jeannette Ways-Rivera, a Housekeeper in **Pocono Medical Center's** Housekeeping department assigned to the Cardiovascular Telemetry Unit, has been named the Dedicated Employee of the Month for July, 2015. Jeannette was nominated for her compassion and dedication to her patients. Below is an excerpt of the nominations submitted by co-workers on Jeannette's behalf:

From L to R: Elizabeth Wykpiasz, Chief Operating Officer/Chief Nursing Officer; Robert Samra, Director Environmental Services; Jeannette Ways-Rivera, Housekeeper, PRIDE Winner; Leonard Karrott, Housekeeping Supervisor; Tammy Castles, Nurse Manager, Cardiovascular Telemetry Unit

"Jeannette always has a positive attitude and is always smiling, being as kind and helpful as possible." "Jeannette really loves doing her job. She makes me proud to work at

PMC". When asked for a specific story, one co-worker noted a patient who only spoke Spanish and was extremely anxious and nervous about going for a test. Jeannette, who was this patient's room attendant, saw how nervous she was and offered to walk down with her to the procedure room to help her remain calm. Her co-worker notes "she went above and beyond to make sure that the patient was comfortable and had a positive experience. I was really impressed with her simple but kind gesture."

The 29<sup>th</sup> annual Pocono State Craft Festival will be held August 22 & 23, 2015 at Quiet Valley Living Historical Farm in Stroudsburg PA. The event, co-sponsored by the **Pocono Arts Council** and the Pocono Chapter of the Pennsylvania Guild of Craftsmen, celebrates the heritage, beauty and quality of Pennsylvania Crafts.

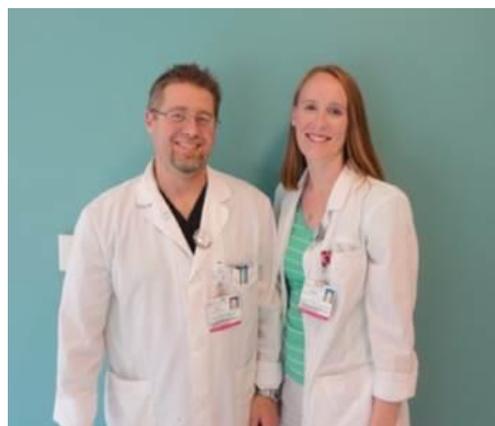

Contemporary crafts meet the 19th century at the 29<sup>th</sup> Annual Pocono State Craft Festival, August 22 & 23, at Quiet Valley Living Historical Farm, Stroudsburg, PA

Crafts featured this year will include pottery, jewelry, metal, stained glass, wood, baskets, paper, leather, folk art, fine art, photography, soap, and art-to-wear. Craftsmen will travel from all parts of Pennsylvania as well as New Jersey, Connecticut, West Virginia, North Carolina, Massachusetts, Ohio, and New York. Craft demonstrations will captivate patrons and bring to life the creative process – from raw material to finished product. All craftsmen will be available to discuss their individual work and provide patrons with an opportunity to purchase unique, high quality crafts worthy of the most ardent admirer.

In addition to crafts, patrons will enjoy the beautiful surroundings and history of Quiet Valley Living Historical Farm. The farm buildings, animals and beautiful gardens will be open to give visitors a taste of a by-gone era on a Pennsylvania German farm. Festival hours are 10 am – 6 pm on Saturday and 10 am – 5 pm on Sunday, rain or shine. Admission is \$6.00 for adults; children 12 and under are admitted free. There is ample free parking. For directions and a \$1 off coupon, visit the show's website at [www.poconocrafts.com](http://www.poconocrafts.com) or call 570-476-4460.

From L to R: Roger Kleiber, Radiation Therapist II, PRIDE Award Winner; Amanda Sereyka, Radiation Therapist II, PRIDE Award Winner.

We are very pleased to announce Roger Kleiber and Amanda Sereyka, both Radiation Therapists in **Pocono Medical Center's Cancer Center**, have been named the Dedicated Employees of the Month for August,

2015. Roger and Amanda were nominated for their compassion and generosity to their patient. Below is an excerpt of the nomination submitted by a co-worker on their behalf:

*"I wanted to share a wonderful gesture of kindness by your staff therapists Roger and Amanda. A cancer center patient previously lost his leg in an accident, and is now fighting cancer. During a session one day, the discussion of scrub pants came up and the patient noted how easy it was for him to wear them due to his prosthetic leg. The next day, Roger and Amanda went through their personal scrubs and each brought a few pairs to the patient so he didn't have to purchase any. This is truly an act of generosity and kindness."*

The Stroud Area Regional Police Department is one of the largest Regional Police Departments in Pennsylvania serving a population of over 35,000 residents with a coverage area of approximately 39 square miles. Our area encompasses Stroud Township and the Boroughs of Stroudsburg and East Stroudsburg.

Every 5 years the Department is required to replace our bulletproof vests (body armor), at the cost of more than \$80,000. In 2010 the Stroud Area Regional Police Commission Foundation (SARPCF) began the SARPD Vests Golf Tournaments to help defray the cost of these life protecting vests. The fundraiser helps to defray the costs of the vests while helping to preserve the Police Departments operating budget and allowing us more funds that are necessary to adequately protect and serve the region.

According to the National Institute of Justice, the lives of more than 3000 Officers have been saved by body armor since the mid 1970's. Our Officers risk their lives every day for the safety of our community.

We hope you will provide your support in helping to keep them safe!
