From the Chairman of the Board

I have just finished reading the November Impact. As with all of the earlier Impacts, I am grateful that our institution is a member of the Chamber, and that I have had the privilege and honor of serving as Chair of the Board for this year. I continue to be amazed at all of the programs and services we offer for our members; we assess their impact on an on-going basis looking for ways to improve what we do. In reading Bob Phillips’ column, it occurred to me, and I hope this rings true for you, that we ARE the advocate and voice for business in our community and beyond. Credit goes to all of the former Board Chairs/Presidents, all former and current Board members, and the Chamber staff. We are a cohesive group of volunteers and professionals seeking to help grow our community and its businesses.

Now that my year as Chair is almost up, I want to humbly thank you for permitting me to serve in this position. It has been a learning experience and a worthwhile endeavor; I hope that I have contributed as much to the Chamber as it has to me, personally and professionally. Our Executive Committee is a dedicated group of volunteer community leaders who are tireless in their pursuit of creating the “perfect” Chamber. Our Board of Directors possesses the energy which feeds all of us as we go about the business of the Chamber. Our staff has the right attitude, work ethic, and sense of humor needed to ensure we reach our goals. Most of all, our members tell us that we are vital to their success. What else can we ask for? Thanks to all of you who made this year a banner year for the Chamber.

Even with all of the good things we are doing, we still have a lot of work to do and I am confident that my successor, John Casella, along with the Executive Committee, Board of Directors, and staff will help us move closer to being the “perfect” Chamber. I anticipate that next year will be even better than this year and wish them well in 2005.

I wish you and your loved ones a peaceful holiday season and a very successful 2005. In closing, should you have any insight or comments on the Chamber as we close out 2004 and move into 2005, please feel free to share them with me at mconnell@northampton.edu or by calling me at 570-688-2466.

## From the President

Another year is about to end, and I can look back on 2004 with great pride and admiration. Our accomplishments for the year are very impressive as we assisted many new start-up businesses which have helped to create new jobs and opportunities for our region. We conducted numerous seminars and workshops which assisted new and existing businesses. We acted as a strong and effective advocate on legislative issues speaking in one voice for our members. Your Chamber has earned the respect throughout Pennsylvania for being the leading business organization in the Pocono Mountains region. We have demonstrated incomparable leadership for the members through innovation, competence, and integrity. My first and foremost priority as the Chamber’s President/CEO is to service the needs of the membership. I share this same vision with the Chamber’s staff and we sincerely hope that we have exceeded your expectations.

This year I celebrated my fifth anniversary at the Chamber. It has been a privilege and an honor for me to work for you and to be part of a highly motivated and professional team. I would like to thank the Board of Directors, committee chairmen, the volunteers, and you, the members for allowing me to be part of this exceptional organization. I would like to thank my colleagues; Patricia Metzgar, Parviz “Peter” Alasty, Miriam Conway, Michelle Kemmerer, and Val Vigliotti for their commitment, support, and dedication to the Chamber’s mission. Finally, Mary Lou and I would like to wish you and your family a peaceful and joyous holiday and a very prosperous new year.
