MCBA is a voluntary membership organization, and therefore a non-sanctioning body. As a courtesy we will talk with your attorney about your complaint as long as it is not about payments made to the attorney, about their staff or about the Monroe County Court System.
If your complaint is related to fees, please complete our Fee Dispute Questionnaire. All complaints must be in writing.
Complaints will only be accepted through mail or fax. Phone calls and emails will not be answered. If the attorney is not a member of MCBA we will not contact you.
MCBA will respond to your written complaint as soon as possible.
