President's Message

Ho Ho Ho! 2017 is rapidly coming to a close, as is my tenure as the President of the MCBA.

Since the last newsletter, the Bar Association again conducted a very successful Mock Trial Invitational Tournament in which 205 students from 8 high schools participated. A sincere thank you to Judge Mark, Magisterial District Judge Muth, and all others who so graciously gave of their time and efforts to coordinate and act as judges for this important event.

The Strategic Planning Group convened to review the status of the current Strategic Plan and identify goals which have been achieved, those that may be carried forward in our next plan, those that are no longer relevant and possible new goals to be considered. The planning process for the next strategic plan will continue in earnest next year, once again with the assistance of Ellen Freedman.

The new Mediation/ADR Committee that was established a few months ago has already held two meetings, and is working diligently to develop proposed parameters and procedures to implement this program. Thank you to Jerry Geiger, Tom Ford and Tobey Oxholm for undertaking this task.

Also in the works is a new Collaborative Law committee, authorized by the Board at its December meeting, which will be activated in 2018. The intent is to promote and assist in making available an elective, alternative means to resolve family law disputes in a cooperative, amicable and hopefully more satisfying manner.

I am very pleased to report that the turn out for the YLD sponsored Member Mixers has been steadily increasing, as has the competition for the coveted trivia contest trophy. The more opportunities we have to interact and get to know one another in a social setting will certainly enhance our professional dealings with one another.

At our November member meeting we elected our officers and Board of Directors for 2018, and, on December 1st, we participated in the swearing in ceremony for, and welcomed, Jonathan Dende, Emily Paulus, Chynna Beisel, Joseph Donegan and John O'Brien as, new admittees to practice before the Court of Common Pleas for the 43rd Judicial District. Congratulations to all of you.

Our annual holiday open house was held immediately following the swearing in ceremony at the Bar Center. As in years past, superb food, music and fellowship were enjoyed by the many members and guests who attended. This is always an enjoyable way to begin the holiday season.

Caitlin Humphreys will be leaving us in early January to reside and work in warm, sunny Hawaii. She has been a very active member of our Association and will certainly be missed. On behalf of all of us I bid a fond farewell and good luck to Caitlin, or as they say in Hawaii, a *hui hou a me ka pōmaika'i*.

We also say goodbye to Jeff Durney as a member of our Board of Directors, as his multiple year tenure is coming to an end. I want to personally thank Jeff for all his contributions and years of service to this Bar

Association as both an officer and director. It has definitely been a pleasure to work with him.

My sincere thanks and appreciation to my fellow officers and directors, and all committee members and volunteers, who have generously given of their time and talents to advance the mission of this Association and make its programs and events a success. None of what we accomplish would be possible without you.

Last but not least a very, very special thanks to Denise, Marsha and Heather for their invaluable assistance to me over this past year, and for all that they do each and every day to keep this organization functioning smoothly and efficiently.

I now proudly pass the gavel to our 2018 President, Mark Primrose, and wish him the best of luck for an enjoyable and successful term.

It has truly been an honor and privilege to serve as your President, and I thank you for affording me the opportunity. I wish you and yours Happy Holidays and a very enjoyable, healthy and prosperous New Year!

Young Lawyers Division

This year was a busy one for the YLD. We continue to be a valuable resource to the Bar Association, the Foundation and our community.

One of the goals of the Strategic Plan is to develop leadership from the Young Lawyers Division. Over the past several years the Boards of the MCBA and MCBF as well as the YLD have worked hard to achieve this goal. In 2017 YLD members held four of the eight seats on the MCBA Board, two of seven seats on the MCBF Board and chaired four committees. Additionally, five YLD members are advisors for three mock trial participating Monroe County schools. A special 'Thank you!' goes out to Ryan Campbell, winning advisor for Pocono Mountain East, as we wish him well in his future endeavors with the FBI. We know you'll make us proud!

We are very appreciative of the MCBA members who provided us with valuable insight into the practice of law. Thank you to the Honorable Jonathan Mark, the Honorable David Williamson, Attorney Bill Reaser and Attorney Barry Cohen, all of whom joined us at a mentor lunch in 2017.

After the May presentation of PBA's 'Stepping Out' program, Don Gual has been taking the lead and is working to expand the program with Pleasant Valley High School by developing a presentation to their entire 2018 senior class. We are excited about this opportunity with PV. Maybe we'll be on the road to all the Monroe County schools in the very near future.

The Member Mixers with the trivia contests have been a great success. We've all learned some pretty interesting, but not useful, facts this year. We've had a great time getting to know each other! We hope you will join us, at least occasionally, so you too may have a chance to take home the traveling trophy.

By now many of you have heard that Caitlin Humphreys is leaving us for beautiful Hawaii. We tried to talk her into staying and then it snowed! Naturally, we had no luck. We wish to thank her for all she has done for the YLD, MCBA and MCBF and wish her success Honolulu. Caitlin you will be missed.

With Caitlin's resignation the Board voted to appointed the following slate for 2018:

President:	David Marra
Vice-President:	Don Gual
Secretary:	Emily Haslebacher
Treasurer:	Briana Gaumer
Member at Large:	Elizabeth Field
Member at Large:	Casey Schweppenheiser

From all of us, we wish you a Happy and Healthy New Year!

MONROE COUNTY BAR FOUNDATION

It's hard to believe that another year has past. As 2017 comes to a close, I want to take just a few moments to reflect. In 2004 the Monroe County Bar Association approved the formation of the Monroe County Bar Foundation. We started out relying on donations from the MCBA membership and an occasional community event. On the occasion when the Monroe County Courthouse bell rings, such as it did on Friday, December 1, 2017, I am reminded that the Foundation, and the Bar Association, has much to be proud of. The renovation of the tower and its bell was one of the largest fundraising efforts in the history of the Foundation.

Over the past 14 years, MCBF has provided over \$340,000 into our community. Three years ago MCBF and MCBA worked together and created a *Grant Policy*. The Foundation now manages a formalized grant program as well as provides sponsorships, scholarships and donations within the Federal IRS guidelines. In only three short years we have provided \$154,500 in grants thanks to funding provided by MCBA. We are grateful to the Association and its members for the continued support.

Whether it be fundraising to renovate and bring the courthouse bell back to life, providing much needed financial support to the number of worthy non-profits in Monroe County or helping students pursue their dreams of higher education, we are proud to represent the membership and the Association.

Thank you to all who supported us in 2017!

William J. Reaser, Jr.

Attorney Beisel joined Kash Fedrigon Belanger, LLC in October as an associate attorney, where her primary focus will be handling family law cases. She earned her undergraduate degree from Penn State majoring in Criminal Justice. In May of 2017 she was awarded her Juris Doctorate from Widener Commonwealth Law School. At Widener, Chynna was a member of the Moot Court Honor Society and a competitor in 2016 and 2017 in the Gabrielli National Family Law Competition. In addition to being an avid Penn State alumni, she enjoys spending time with her family, friends and boyfriend. If Chynna does have free time, you will find her either playing one of many instruments or singing. And, if the weather is warm, she'll probably either be swimming or scuba diving.

Date admitted to the
Monroe Co Bar: 12/19/2014

Attorney Jones attended Centre College in Kentucky and Regent University School of Law in Virginia Beach. During college, Jessica was very active in her sorority (Kappa Kappa Gamma), the college choir, and behind the scenes of the campus theater. Over the summers, she worked at Rita's Italian Ice in her hometown in Delaware and visited the nearby beaches.

Jessica began law school the fall after graduating from Centre. During her time there, she was a member of the Alternative Dispute Resolution Board and a Managing Editor of the Law Review. Jessica focused her course work on business law, which is still her first passion, but is thoroughly enjoying the criminal work she does now as a clerk.

Since school and bar study have ended (at least for now), Jessica has rediscovered her enthusiasm for reading and crafting. Upon moving to Monroe County, she has also picked up a new hobby: mountain hiking!

Committees Wrap for '17

BAR CENTER

With the completion of the replacement of the roof and HVAC, the committee will focus on the general upkeep of the building for the next several years. The remediation of the birds and bats was completed in November, with all creatures being humanely relocated! In the upcoming year, we do hope to resurface the parking lot, stabilize the third floor, and install storm windows for better energy efficiency.

BENCH BAR

The committee has already begun planning next year's conference. The input received from the post-event survey will help us determine the seminars to be offered at the conference. As previously announced, the conference will be held on Friday September 28, 2018, at Northampton Community College Monroe Campus. Please reserve the date now.

CHILDREN'S ADVOCACY

We hit the ground running this year, working to formulate a plan to provide support, whether it be through educational programs or through resources to assist lawyers, their clients or any related professionals who deal with the issues facing children and their support systems in the county today. We are pleased to have representatives from both the PD's and the DA's office on board as well as many attorneys who represent children in various capacities. We began researching the possibility of bringing service dogs to the court system within the next several years and worked with Judge Mark on the recently held Vicarious Trauma Summit. If you have a special interest in the welfare of our children, we hope you will consider joining our committee.

CONTINUING LEGAL ED

Programing was diverse this year. From employment to custody, HOAs to cyber security, judicial administrative rule changes to elder abuse—we covered it all. We partnered with several other agencies to increase the opportunities for members to stay close to home, stay on top of changes in their practice and earn those ever needed credits! Planning for 2018 is well underway. Programs for January, February, March, April and June are already in place. Topics include residential mortgage foreclosures, the animal statute changes as well as municipal codes, the new marijuana laws and professional ethics and conduct. Notices to sign-up for the CLEs will be out shortly. We are also working with Judge Sibum and the Court's Domestic Relations Committee on a soon to be scheduled program. If you have a program you are interested in presenting or hearing about please call or email Brian Jordan or Denise Burdge.

FEE DISPUTE

This year was a good year for the Fee Dispute Committee. While we worked with several 'dissatisfied clients' the committee did not have to convene a panel to settle any disputes. Resolutions were handled quickly, generally by our members. Remember that providing written fee agreement or engagement letter may ward off, or at least limit, problems with clients who question fees paid or due. What's obvious to us is usually not to the average client.

FIND A LAWYER

If you aren't in the Find a Lawyer program, consider it. Referrals this year topped 4,060. The cost of \$160 to participate can be covered by one paying client. Remember attorneys in practice less than three years pay only \$128. Family Law, Real Property and Tort continue to be the top categories requested by potential clients. To try and meet the clients needs, categories are reviewed annually. The newest sub-category for 2018 is ' Misuse of Internet & Cyberbullying'.

Committees Wrap for '17 (CON)

GOVERNMENT RELATIONS

The Government Relations Committee meets each month to review pending legislation changes. As issues arise we look to specific committees, taskforces and sections of MCBA for more in depth discussions as to the possible actions to be reviewed and approved by the MCBA Board. We are pleased that John Goldner, Court Administrator, has joined our group. The ongoing connection with the courts affords us the opportunity to better prioritize the pending changes that will affect the membership and their clients, as well as the courts.

LAW DAY & FAIRY TALE TRIALS

The Law Day Celebration opened by honoring Patricia Fretz, former administrator for the Monroe County Area Agency on Aging, for her lifelong commitment to providing a better life for our elderly. We recognized three very deserving students from across the county for their very creative projects on this year's Law Day theme, "The 14th Amendment Transforming American Democracy". Kate Martin's audiovisual production, "A Woman's Tale" was through provoking. The courthouse was in total turmoil as the Joker was found 'GUILTY' by a jury of his peers—well 5th and 6th graders! We will soon be seeking nominations for the 2018 Liberty Bell Award. Can't wait for the formal request, just email Denise.

LAW DAY RACE JUDICATA

For the second year in a row Matthew Martino outran the field, with a time of 27 minutes 30 seconds. Simba, with human Nicole Cegolk at lease, took 1st place in the Fun Run. Liz Field's son, MJ, was the fastest toddler to cross the line this year. Runners beware-you have major competition in your future! Thanks to the many sponsors and runners who made the event a success. And major thanks to MCBA for covering all the race expenses. With their support the race raised \$3,000 for Burnley Employment and Rehabilitation Services. Planning for the 2018 race is underway. Mark April 28th on your calendar now. And, maybe this year one of our attorneys beats Matt!

PRO-BONO

The first full year of our Modest Means Program proved to be successful with 53 clients referred to participating members who recognize the need to assist those who would probably not otherwise have legal representation. As expected, family law was the largest area of need. To those of you who volunteered to participate in the program, we are very grateful. Thank you to those, both new and existing, who have already signed up to take on clients in 2018. We work closely with NPLS to offer clinics relevant to their client base. These help a large number of clients work toward resolution of issues at one time. To those members who regularly take on cases referred from North Penn, Thank You! This year you handled over 20 new cases. We ask all to please consider taking on at least one client in 2018. Your help will make a huge impact in our county. To the entire MCBA membership, thank you for voting to financially support North Penn Legal Services. Since we began providing the support for a full time attorney and part-time support person, 756 new cases have been opened and 633 cases have been closed.

MOCK TRIALS

The Committee hosted the District and Regional Competition this past February. Thank you to President Judge Worthington for allowing the use of the courthouse! Pocono Mountain East won districts, but was narrowly defeated by Abington Heights in the regional competition. Ryan Campbell, PME attorney advisor, was extremely proud of this team! As Ryan moves on to begin his new career, we wish to offer him our gratitude for all he's done for the PME team. We welcome Emily Haslebach to the group as she steps into Ryan's spot. We also welcome John O'Brien and Joe Donegan to the group of advisors this year. Another successful Invitational was held in November. Hosted by Pocono Mountain West, over 200 students from eight schools from all over northeastern PA participated. Hazleton's two teams took the top two honors with PME coming in third. PBA realigned the districts in 2017, with our district now including Carbon County. These schools will join us February 20-22, 2018 when we host the district competition. We hope you will plan on joining the "Judging Team"!
