

# MONROE COUNTY BAR ASSOCIATION

## LUNCH AND LEARN

PRESENTS:

# *Ethics in a Small County Bar*

What is special about the practice of law in a small county is that the judges and the lawyers know each other, respect each other, are civil to each other, and prize the fellowship that the profession of law offers. But this kind of "special" also creates some ethical issues for attorneys when the county's large and there aren't all that many in the county able to help those in need of legal services.
