

MONROE COUNTY BAR ASSOCIATION
CONTINUING LEGAL EDUCATION COMMITTEE

PRESENTS:

The Intersection of Auto Insurance and Personal Injury Law: The Basics

Everyone needs good car insurance, and anyone in an automobile accident needs attorneys to represent them well. This session will review the coverages on a declarations page, how it works, what coverages someone should have, and how to tackle the stumbling blocks when representing clients who've had an automobile accident.

Anyone interested in personal injury automobile law, insurance-oriented attorneys and estate attorneys who handle wrongful death and survival actions arising out of automobile accidents will want to attend!

Presented by William C. Rambo, Esquire, of Cohen, Feeley, Altemose & Rambo, P.C.
