This permit becomes null and void if construction is not started within six months of issuance and does not release the homeowner from the responsibility of obtaining additional permits as may be required by any and all other applicable ordinances and/or regulations. New construction must comply with the Pennsylvania Building Energy Conservation Act 222. Permit does not release the owner from the requirements of any and all other township, state and/or federal ordinances. A driveway permit may be required. All information submitted supporting this application shall become part of the records of Price Township, cannot be returned and may be examined by the public at any time during normal

business hours of the Township Office.
