### **SouthStar Urgent Care Expands Health Care Access by Launching Telehealth Program**

**Broussard, LA – April 2, 2020**

- WHO: All Louisiana Residents
- WHERE: GoSouthStar.com/Telehealth
- WHEN: Telehealth Program launched April 1, 2020
- WHAT: The SouthStar Urgent Care has expanded access to exceptional health care to patients from the comfort of their homes. The telehealth program allows insured and self-pay patients to receive care virtually from one of our certified and licensed providers.
- WHY: Telehealth through SouthStar Urgent Care is available to all communities across Louisiana. SouthStar Urgent Care wants to be a trusted resource for those who cannot enter a medical facility due to being high risk or those who would simply prefer to remain home to receive medical care.

*Founded in 2011, Hulin Health is a leading provider of Urgent Care services in Louisiana. Their signature brand, SouthStar Urgent Care, is known primarily for its nationally recognized, award-winning customer service. With a focus on patient care and team culture, the SouthStar Urgent Care team is changing the way healthcare is delivered. Available clinic services range from treating allergies to onsite X-Rays, flu symptoms to stitches, or simply a general sports physical for school. Occupational Medicine services are also offered at all SouthStar clinics. Clinics are open seven days a week, welcome all ages for treatment, and accept all commercial insurance plans.*

*SouthStar Urgent Care has locations in New Iberia, Lafayette, Abbeville, Eunice, Opelousas, Marksville, Oakdale, Ville Platte, Bastrop, Minden, Gramercy, Winnsboro, Springhill, Slidell, Many, Farmerville, Vidalia, and Scott.*
