Keeper of Finance

July 12, 2021

On May 8, 1971, and September 1, 1971, a historic event took place on the campus of Rutgers University – Camden. Seventeen men were initiated into the Omega Psi Phi Fraternity Inc. which represented the first time an African American fraternity became part of the Rutgers Camden campus. Those men were initiated into the Chi Upsilon graduate chapter, and eventually was awarded an intermediate chapter, Tau Beta.

On August 21, 2021 we will be celebrating the 50<sup>th</sup> Anniversary of that event at a dinner dance. The event will take place at the Crowne Plaza Hotel in Cherry Hill NJ from 6 to 11 pm.

Attached is information detailing the planned event for your review. All of the details may be found on this document. Tickets may be purchased either on the Chi Upsilon website or mailing a check to the address on the document. If you plan to attend, please reply to this notification so that we may know and address any questions you may have.

We sincerely hope that you will be able to attend our celebration.

Sincerely,

Oscar R. Spencer
