Safety & Staffing:
A Winning Combination!

Our day camps meet the highest health and safety standards of the YMCA and the PA Department of Human Services. First Aid equipment is maintained on and off site. Our hand-picked staff are trained in First Aid, CPR, pool safety, heat and sun safety, age-appropriate activities, conflict resolution, rainy day play and more! Staff training includes almost 30 hours before camp begins. Our camper to counselor ratios follows best practices, with ratios from 1 counselor to 12 campers to 1 to 15, and pool ratios from 1 to 5 to 1 to 8. There is always a certified lifeguard on deck when we're in the pool!

YMCA Summer camp is weeks of fun for your child and flexibility and convenience for you!
