### Statement of Purpose

**Instructions:** Please explain why you are interested in being a Fellow in the ELI program in 1250 characters or less.

## Essay

**Instructions:** There are a lot of things happening from a political standpoint. There are mental issues in our communities, economics challenges, and healthcare. What is Omega's role and where should our focus be on addressing these issues and how do we advance our people? Please explain in 2500 characters or less, where should Omega start and what are your recommended strategies for implementation?
